COMMISSION DELEGATED REGULATION (EU) No 530/2014
of 12 March 2014

to regulatory technical standards further defining material exposures and thresholds for internal
approaches to specific risk in the trading book

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Directive 2013/36/EU of the European Parliament and of the Council of 26 June 2013 on access to
the activity of credit institutions and the prudential supervision of credit institutions and investment firms, amending
Directive 2002/87/EC and repealing Directives 2006/48/EC and 2006/49/EC (1), and in particular the third subparagraph
of Article 77(4) thereof,

Whereas:

(1) Article 77(3) of Directive 2013/36/EU refers solely to 'debt instruments', therefore equity instruments in the
trading book should not be included in the assessment of materiality of specific risk.

(2) The materiality in absolute terms of exposures to specific risk should be measured by applying the standardised
rules for the calculation of net positions of debt instruments. That assessment should consider both long and
short net positions calculated in accordance with Article 327(1) of Regulation (EU) No 575/2013 of the Euro-

(3) The first subparagraph of Article 77(3) of Directive 2013/36/EU covering specific risk in the trading book refers
to ‘a large number of material positions in debt instruments of different issuers’. These rules therefore set out a
materiality threshold for large numbers of material positions in debt instruments of different issuers, pursuant to
Article 77(4) of that Directive.

(4) This Regulation is based on the draft regulatory technical standards submitted by the European Banking Authority
to the Commission.

(5) The European Banking Authority has conducted open public consultations on the draft regulatory technical
standards on which this Regulation is based, analysed the potential related costs and benefits and requested the
opinion of the Banking Stakeholder Group established in accordance with Article 37 of Regulation (EU)
No 1093/2010 of the European Parliament and of the Council (3),

HAS ADOPTED THIS REGULATION:

Article 1

Definition of ‘exposures to specific risk which are material in absolute terms’ according to Article 77(4) of
Directive 2013/36/EU

An institution’s exposure to specific risk of debt instruments shall be considered to be material in absolute terms where
the sum of all net long and net short positions, as defined in Article 327 of Regulation (EU) No 575/2013, is greater
than EUR 1 000 000 000.

(2) Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit
(3) Regulation (EU) No 1093/2010 of the European Parliament and of the Council of 24 November 2010 establishing a European Supervisi-
yory Authority (European Banking Authority), amending Decision No 716/2009/EC and repealing Commission Decision 2009/78/EC
Article 2

Definition of ‘large number of material positions in debt instruments of different issuers’ according to Article 77(4) of Directive 2013/36/EU

An institution’s specific risk portfolio shall be considered to comprise a large number of material positions in debt instruments of different issuers where the portfolio includes more than 100 positions, each of which is greater than EUR 2,500,000, whether those positions are net long or net short, as defined in Article 327 of Regulation (EU) No 575/2013.

Article 3

Entry into force

This Regulation shall enter into force on the twentieth day following that of its publication in the Official Journal of the European Union.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 12 March 2014.
