

## COMMUNIQUE

### ■ UPDATE OF THE DOCUMENT "QUESTIONS / ANSWERS ON THE STATUSES OF PFS - PART II"

The CSSF would like to inform the practitioners that questions and answers No. 51 to 54 in the document "Questions/Answers on the statuses of PFS - Part II" were updated. The main change concerns the answer given to question n°51 on the performance of the activity of professionals who grant loans and more specifically the interpretation given by the CSSF to the notion of "public" used in Article 28-4(1) of the law of 5 April 1993 on the financial sector.
