CIRCULAR CSSF-CODERES 19/09

Re: Single Resolution Fund – Information request by the Single Resolution Board for the calculation of the 2020 ex-ante contribution according to Articles 4 and 14 of the Commission Delegated Regulation (EU) 2015/63

Ladies and Gentlemen,

The purpose of this circular is to collect data for the calculation of the 2020 ex-ante contribution to the Single Resolution Fund.

Article 100 of Directive 2014/59/EU of the European Parliament and of the Council of 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms (hereinafter "BRRD"), requires Member States of the European Union to establish one or more national resolution financing arrangements for the purpose of ensuring the effective application by the resolution authority of the resolution tools and powers. In accordance with Article 103(1) of the BRRD *ex-ante* contributions shall be raised at least annually from all institutions incorporated under Luxembourg law. However, branches established in Luxembourg by institutions which have their head office outside the European Union are not targeted by the present circular as they will be covered by the Luxembourg Resolution Fund.²

Article 67 of Regulation (EU) No 806/2014 of the European Parliament and of the Council of 15 July 2014 establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund and amending Regulation (EU) No 1093/2010 (hereinafter "SRMR") establishes a **Single Resolution Fund** (hereinafter "SRF") under the responsibility of the **Single Resolution Board** (hereafter "SRB") for Member States participating in the SSM. The Commission Delegated Regulation (EU) 2015/63 of 21 October 2014 supplementing

¹ All credit institutions established in Luxembourg with the exception of the branches established in Luxembourg by a credit institution which has its head office outside the EU. Branches established in Luxembourg by a credit institution having its head office in another Member State, participating or not participating, are covered by their head office.

² See Article 108(1) of the Law of 18 December 2015 on the failure of credit institutions and certain investment firms and Regulation CSSF N° 16-06.

Directive 2014/59/EU with regard to *ex-ante* contributions to resolution financing arrangements (hereinafter "DR") and the Council Implementing Regulation (EU) 2015/81 of 19 December 2014 specifying uniform conditions of application of Regulation (EU) No 806/2014 of the European Parliament and of the Council with regard to *ex-ante* contributions to the Single Resolution Fund (hereafter "CR") specify together the methodology for the calculation of this contribution and the obligations of the credit institutions as regards the necessary information to be provided in a Single Resolution Mechanism context.

In order to determine, in accordance with the provisions of the DR and CR, the annual contribution to be paid by each credit institution in 2020, the SRB needs to obtain a certain amount of information as expressed in its introduction letter (Annex 1). For the purpose of gathering these data the attached template (Annex 2) has been developed by the SRB together with information/instructions on how it has to be filled in. Additional guidance elaborated by the SRB is available on the CSSF's website www.cssf.lu under: EU/International > Banking Union > Single Resolution Mechanism (SRM) > Calculation of contributions > Annexes to Circular CSSF-CODERES 19/09 (direct link: <https://www.cssf.lu/en/resolution/>).

The data required are identical to the data requested for the 2019 ex ante contribution in Circular CSSF-CODERES 18/07. The SRB does, however, not make available any longer the validation tool. **In addition, the LEI Code replaces the MFI Code in the mandatory structure of the file name.**

As for last year, Luxembourg specific guidance is given in the worksheet "5. Definitions and guidance" of the template (Annex 2). The naming conventions and the way to return the duly completed template (Annex 2) to the CSSF remained unchanged (see file naming convention below).

Deadlines

The duly filled in template (Annex 2) has to be sent to the CSSF **at the latest by 14 January 2020 at 24:00 h**³. In case not all required information is transmitted correctly by that date, the SRB shall use estimates or its own assumptions for the calculation of the 2020 contribution of the concerned credit institution to the SRF (article 17 (1) DR). In specific cases, the SRB may assign the credit institution concerned to the highest risk adjusting multiplier, for the calculation of the institution's contribution to the SRF (article 17 (2) DR). Before sending the template (Annex 2) please assure that all checks on worksheet "6. Validation rules" are marked as "OK".

For the transmission of the data to the CSSF, credit institutions have to use the attached electronic template (Annex 2). Said template is available on CSSF website at:

³ Additional guidance is given in Annex 6 and 7.

<https://www.cssf.lu/en/document/circular-cssf-CODERES-19-09-annex-2/>

Some credit institutions will be contacted directly by the CSSF in the next 10 working days in order to provide more specific guidance reflecting their situation.

Delivery instructions

Any file submitted must be in “.xlsx” format; any other format (for example “.xls”, “.doc”, “.pdf”, etc) will not be accepted. All required data fields of the file shall be completed (for details see Annex 2 sheet “Read me” point B). The Excel file is pre-formatted and **its structure shall not be changed in any way** by the credit institutions. Information which generates error messages will be considered as void.

All production files must be sent to CSSF via the channel system according the circular CSSF 08/334. The naming convention to be used is the report type OTH and the file naming described below **must be fully respected to guarantee an automated processing**.

The mandatory structure of the file name is in general (see details below):

TYRDIR-ENNNN-LEI**Code**_LU_VERSION_TYPE_DEADLINE_TIMESTAMP.xlsx

For the 2020 submission, the name structure resulting will thus be:

OTHREP-BNNNN-XXXXXXXXXXXXXXXXXXXXX_LU_SRF050101_EACIND_2020-01-31_yyyymmddhhmmssnnn.xlsx

Example:

OTHREP-B0999-**599900OKRZTTF50GXP26**_LU_SRF050101_EACIND_2020-01-31_20200105140531000.xlsx

for a file generated by Bank B999 having a LEI Code of 599900OKRZTTF50GXP26 in the version created on January 5th 2020 at 14:05:31.

These are the details of the file naming convention:

Code	Signification	Structure	Values authorized
TYR	Type of reporting	Char(3)	Constant ‘OTH’

_	Separator → UNDERSCORE	Char(1)	Constant '_' (underscore!)
TYPE	TYPE	Char(n)	The only value allowed is the report code 'EACIND'
_	Separator → UNDERSCORE	Char(1)	Constant '_' (underscore!)

_	Separator → UNDERSCORE	Char(1)	Constant '_' (underscore!)
TIMESTAMP	TIMESTAMP	Number(17)	File creation timestamps; every timestamp may only be used once and has the format:

⁴ Replaces MFI Code used in the previous years.

			yyyymmddhhmmssnnn “mmssnnn” can be replaced by 0000000.
.ext	Extension	Char(5)	For the files to be submitted the extension shall be .xlsx

Due to the experiences with the previous ex-ante contributions the CSSF has decided to maintain for the time being the current transmission of data via Excel sheet from the credit institutions to the CSSF. The CSSF will then send the data via a XBRL-based portal to the SRB which will perform additional validation checks.

Additional assurance documents

In addition, each credit institution that directly or as part of a group falls under direct ECB supervision (see Annex 3), unless it is subject to the lump-sum payment, must make available to the resolution department of the CSSF additional assurance documents, which will be transmitted to the SRB. These documents can either be:

- Agreed Upon Procedures (AUP) where an external auditor confirms specific data (see Annex 4) or
- a Sign-off form where at least one of the members of the banks’ authorised management certifies that the submitted template complies with the general instructions (see Annex 5).

The documents have to be sent to the CSSF at the **latest by 17 February 2020**, by mailing a signed hard copy to CSSF, Resolution Department, L-2991 Luxembourg. Banks, which do not appear on the list in Annex 3 do not have to send in any additional assurance documents⁵.

⁵ According to Article 18 DR the resolution authorities may impose administrative penalties and other administrative measures referred to in Article 110 BRRD to the persons or entities responsible for breaches of DR.

Yours faithfully,
