Re: Update of table B 4.5 “Analysis of shareholdings”

Ladies and Gentlemen,

We are pleased to draw your attention to the update of table B 4.5 “Analysis of shareholdings” and the relating instructions.

The identity of the shareholders must be communicated to the CSSF when these persons hold, directly or indirectly, at least 10% of the capital or the voting rights attached to the shares of the bank (and no longer 5%).

Table B 4.5 and the related instructions (marked-up and final versions), as now appearing in the “Recueil des instructions aux banques” which is published on our website, are available in electronic form under:
