du Secteur Financier*

## **WARNING**

The Commission de Surveillance du Secteur Financier (CSSF) warns the public of the Internet website <https://lux-inter.com> where an entity named Guide for direction Ip limited claims to be “one of the leading fund companies” in Luxembourg.

The CSSF informs the public that Guide for direction Ip limited is not regulated by the CSSF and that the entity has not been granted any authorisation to provide financial services in or from Luxembourg.
